THIS IS JMU

JMU's beautiful campus includes 111 major buildings on 712 acres. The original campus is built around the Quadrangle, where buildings are constructed of native blue limestone and have ivy coverings.

The University's 18,400 students may choose from 108 degree programs in seven colleges -- College of Arts and Letters, College of Business, College of Education, College of Integrated Science and Technology, College of Science and Mathematics, College of Visual and Performing Arts, Graduate School.

JMU's academic program combines the liberal arts tradition with preparation for technology in a rapidly changing world. All students receive a strong foundation of knowledge through a rigorous general education program.
